

PENNSYLVANIA CASTLE ESTATE

Isle of Portland

CATERING MANAGER

At Pennsylvania Castle Estate on Portland we looking to appoint a new Catering Manager to develop the catering side of our business. Within the wider Estate we have the Castle, a vibrant café & bar next door and an assortment of neighbouring holiday accommodation.

Our business is focussed on providing all our guests a luxury experience which includes bespoke catering.

The successful candidate will manage and prepare food in our popular Hayloft Cafe & Bar, provide catering options to our rental guests and develop the delivery of catering to our larger events.

We need you to have previous management and catering experience, be super enthusiastic and be keen to develop and grow the catering side of our business.

As part of the management team you will manage your own staff and commercials, and be expected to be able to design innovative menus along with GPs.

You will join a small hard working team that understands the world of hospitality requires flexibility. The team are very committed and everyone is happy to help each other.

This is a new and unusual role so we are expecting an exceptional candidate with vision and commitment.

We offer a great work environment because we know work needs to be enjoyable. The main summer season is very intense so we encourage staff to take longer holidays during the winter.

On site accommodation may be available for the right person looking for a big challenge, a fun and hard working environment, and an opportunity to deliver new ideas and aspirations. They will be rewarded well, based on proven experience.

Send your CV and a covering letter to hello@hayloftcafe.co.uk
